

SIDE LETTER BETWEEN MIT & MITAEA REGARDING EXTRA PREPARATION PERIODS

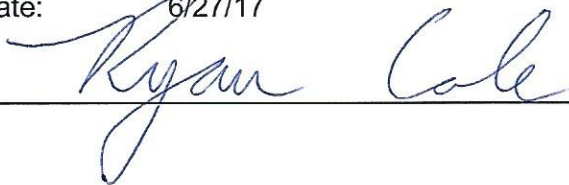

This Side Letter regarding extra preparation periods for 2017-18 is entered into by and between Mare Island Technology Academy ("MIT" and Mare Island Technology Academy Education Association ("MITAEA" or "Association") as follows:

1. The parties agree that when administration proposes, and the affected teacher(s) and the Association agrees, additional instructional duties of five hours or more per week to be completed during the workday, the affected teacher(s) will have the option of asking for an additional preparation period. If instead the additional instructional duties of five hours or more per week are to be completed outside of the work day, then affected teachers will receive a 7/6th stipend as defined in the contract.
2. Effect of Side Letter:
The parties acknowledge and agree that this side letter supersedes and takes the place of any side letter on the same subject matter previously executed by the parties. The period covered by this agreement shall be no longer than June 16, 2018, and will be an item of negotiation during the 17-18 negotiation session between MIT and MITAEA.
